VOL. LV OAKLAND, CALIFORNIA, FRIDAY EVENING, JUNE 20, 1902 NO. 147.

INJUSTICE AT HIGH COURT.

Prominent Citizens Are Given a Run for Their Money and There Is No Appeal.

Theodore Gier was looking very natty last night as he stood in the Fair Grounds talking to Captain Freeman of the Pilot Commission, Captain Saunders of Honolulu and Mr. Brokaw, the ship broker. He wore a high silk hat and sported a red carnation that one of the pretty girls had fastened on his coat lappel.

"I arresht ye for obstrucin' the highway," said a big policeman with fiery Galway whiskers and a very red nose. With that he seized the wine merchant by the collar and gave him a jerk that nearly dislocated his neck.

"Hold on, I'm with some friends," protested Gier.

"Resist an officer," will ye!" exclaimed another policeman with a bunch of spinach on his chin and an archaic far down brogue seizing him by the other arm and brandishing a club over his head. Gier's friends roared with laughter at his plight.

"You here again?" asked the judge, glaring sternly at the culprit as he was dragged to the bar of the Elks' High Court of Justice.

"Yes, your honor," began the defandant.

"Fine you 25 cents for being here," snapped the Court.

"He has his hat on," suggested the District Attorney.

"Another 25 cents for having your hat on in court," said the Judge.

"Did your honor notice the hat," insinuated the District Attorney.

"Twenty-five cents more for wearing a plug hat," roared His Honor.

"Thank you, Judge," ventured Gier feebly.

"Another 25 cents for thanking this court for dealing out injustice."

And poor Gier pungled out a dollar. Just then the police rushed Freeman, Saunders and Brokaw before the Court, panting and red in the face. It was Gier's turn to laugh.

"You are charged with associating with Kanakas on the Fair Grounds. Guilty or not guilty?" His Honor frowned fiercely.

"I was with a friend from Honolulu—" began Freeman.

"Twenty-five cents for having a friend from Honolulu, and 25 cents more for being seen in public with him."

And His Honor frowned again.

"All right," said Freeman.

"A quarter more for saying it's all right."

"He laughed, your Honor," put in the District Attorney.

"Another quarter for laughing in court. Bailiff, turn out his pockets and throw him into the street."

"Where do you live?"

"In Honolulu" replied Captain Saunders.

"You are fined 25 cents for that. What's the news from Hawaii?"

"The volcano is smoking."

"Twenty-five cents for having a volcano that smokes and 25 more for lying about it. Are you ready to pay your fine?"

"Yes your Honor."

"A quarter more for being ready.

"Did you come with him?" asked the the Court turning to Brokaw.

"Yes."

"Twenty-five cents for that. Where were you arrested?"

"In the Fair Grounds."

"Twenty-five cents for being on the Fair Grounds."

"He said he was a gentleman and called me a chaw" complained the bailiff.

"Twenty-five cents for calling yourself a gentleman and 25 more for insulting an officer. This Court knows a gentleman when he sees one. Bailiff, if he has any more than a dollar you can keep the change to drink the Court's health."

"Hurroo!" shouts the bailiff.

"The bailiff is fined 25 cents for disorderly conduct in Court," said His Honor adjusting his wig.

"I move that the fine be remitted," interposed the District Attorney.

"The District Attorney is fined 25 cents for interfering with the course of justice," said the Judge.

"What are you here for?" The culprit was City Attorney Johnson.

"For vagrancy, your Honor."

"Guilty or not guilty?"

"I plead guilty. I will not dispute the justice of this Court."

"Twenty-five cents for being a vagrant, and 25 more for expecting justice in this Court."

"Somebody will have to lend me the money to pay my fine."

"Twenty-five cents for trying to borrow money in court."

Johnson put up a silver dollar.

"Another quarter for having money in his possession.

"What's your name?"

"Robert Mein."

"Twenty-five cents for being mean."

"He has a very pretty lady with him," said the District Attorney suggestively.

"He has, has he. Fine him 25 cents for that." And his honor swelled with indignation.

"You are charged with being a lawyer. Are you guilty?" And the court glowered on M. C. Chapman.

"I demand a jury trial and ask for a continuance," said the ex-Mayor.

"Twenty-five cents for insinuating that this court will not give you a fair trial, and 25 cents more for asking a continuance."

"But I wish to get the attendance of witnesses."

"Twenty-five cents for wanting witnesses."

"I object to the court's ruling."

"Twenty-five cents for making an objection. The charge of being a lawyer is dismissed."

The next defendant was a blushing damsel.

"What's the charge?" asked his honor, bland and smirking.

"I charge her with being pretty," said the officer.

"That's no offense in a lady," said his honor sternly. "What's your name?" sweetly, to the fair defendant.

"Miss Smith."

"You are fined ten cents for being a miss. The officer will pay the fine as a penalty for making an unwarranted arrest."

"I charge this lady with cruelty to animals," said a policeman dragging in a shrinking female.

"What animal has she been cruel to?" inquired the court.

"The District Attorney, sir."

Mrs. W. H. L. Hynes is fined ten cents for cruelty to animals."

"Did you accompany Mrs. Hynes?"

"Yes, sir."

"You are fined ten cents for not being cruel to animals. Bailiff attach the District Attorney's watch till the fines are paid."

"Gangway!" roared an officer with a batch of prisoners as he struggled through the crowd.

"Bailiff, arrest everybody in the lobby," said the court. It was done. A fine of ten cents each was collected.

"What's your name?"

"Hall."

"Where do you live?"

"In Alameda."

"Two bits for being named Hall and two bits more for living in Alameda. He will be discharged after being searched."

"What's this man charged with?" asked the court.

"With selling pills," said the District Attorney. "His name is Harry Borchert."

"Guilty or not guilty?"

"I keep a drug store, your honor."

"Two bits for keeping a drug store, and two bits more for confessing the crime. The bailiff will feed the defendant on his own pills until the fine is paid."

"Is your name George Rupprícht?" the court asked of the next victim.

"Yes."

"Two bits for that. Do you live in Haywards?"

"Yes."

"A quarter for that. Are you a bum poltician?"

"Yes."

"Two bits for being a bum politician."

"Are you concerned in all that goes on in the County Assessor's office?"

"I am."

"Twenty-five cents more for that. Don't let the Grand Jury have him until the fine is collected."

There was a stir in the lobby as two stalwart policemen hustled Judge Nusbaumer to the judicial presence.

"What vagabond have we here?" roared the court.

"A desperate criminal, your honor: a political boss and a wretch who sets traps for innocent birds," said the District Attorney.

"Do you plead guilty?" questioned the court fiercely.

Nusbaumer smiled.

"Two bits for grinning in court," growled the judge. "You are also fined 25 cents for malicious mischief in destroying books."

"But your honor—"

"Twenty-five cents for butting in court. What more have you to say for yourself?"

"Nothing, your Honor."

"Fine him 25 centsl for having nothing to say."

"If your Honor will allow me—"

"Another quarter for making improper reqquests of the court, you have no pull here. Bailiff, collect a dollar from him with a sand bag. Defendant is acquitted of being a boss."

"This man has the hardihood to be the son of a policeman," said the District Attorney.

William Quigley you are fined 25 cents for being the son of a policeman and 25 cents more for flirting on the fair grounds.

"What's your name?"

"John Doe."

"What other name have you?"

"John J. Doe."

"Two bits for lying, you are Fred Campbell. Two bits more for confessing to being a jay. Are you in politics?"

"No, sir."

"Twenty-five cents for being out of politics.

"Any other charge?"

"No, sir."

Twenty-five cents more for getting off lightly. The arresting officer is fined 25 cents for not laying enough charges against him.

"Your Honor this man disturbs the peace. His name is Cohn and he keeps a clothing store."

"What proof have you," asked the court.

"Only the way he spells his name."

"Quite sufficient," said His Honor. "Twenty-five cents for selling bum clothing, twenty-five cents for selling goods too cheap, and twenty-five cents more for the way you spell your name."

"Judge, you let me off cheap," said the defendant, unguardedly.

"Twenty-five cents more for saying injustice is cheap in this court."

"Jack Cook, you are charged with being a candidate, are you guilty?"

"Guilty, your Honor. I throw myself on the mercy of the court."

"Two bits for being a candidate and two bits for thinking this court has any mercy. Are you an Elk?"

"Yes."

"Twenty-five cents for being an Elk. Are you Frank Jordan's deputy?"

"Yes."

"Another quarter for that. Bailiff, give him a good kick-off when he starts to run."

And so the fun went on last night at the Elks' High Court of Injustice, where Justice James P. Quinn presided as magistrate, and W. H. L. Hynes officiated as District Attorney.

Jack Crooks acted as bailiff. The total of the fines collected last night aggregated $76.60.

DIPLOMATS WILL GO ON VACATION

MANY PEOPLE GETTING READY TO LEAVE WASHINGTON FOR THE SUMMER.

WASHINGTON, June 20.—The usual summer exodus of the diplomatic body is about to begin in earnest. Ambassador Cambon will depart for France Sunday next, Ambassador Aspiroz will go to Mexico some day next week and Minister Brun will start for Denmark and Minister Pioda for Switzerland about the same time.

Minister Wu has received Chinese newspapers containing copies of the edict which announced his appointment as one of the Ministers to adopt a code of the foreign laws to the Chinese practice, but he has not yet received the edict itself. The Minister is not sure the assignment would involve his return to China, as much of the work might be done here.

THE SENATE AGREES.

WASHINGTON, June 20.—The Senate today agreed on the conference report of the military academy bill, thus finally disposing of the measure.

JUDGE E. D. SAWYER HAS PASSED AWAY.

He Was One of the Pioneer Attorneys of This State.

WAS ON THE BENOH MANY YEARS AGO.

SAN FRANCISCO, June 20.—Judge E. D. Sawyer, one of the pioneer attorness of California, died today at his home in this city of pneumonia contracted about a week ago.

Judge Sawyer arrived in California in 1851, and spent his first year in the State at Mokelumne Hill. He then came to San Francisco, where, with his family, he has lived ever since. He never retired entirely from the practice of the law, although during the last few years, he was not as active as in former years. He was on the bench in the early sixties. His last active work was as attorney for the Pacific Bank.

A widow, two sons and two daughters survive him.

CAVALRY NOW IN PATERSON.

STRIKERS WILL NOW HAVE TO BEWARE OF THE TROOPS.

PATERSON, N. J., June 20.—The Essex troop of cavalry of Newark arrived here today and proceeded at once to the armory.

The streets were lined with people, while the cavalry proceeded toward the armory, but there was no demonstration or excitement of any kind.

An order was issued today ordering the local companies of the National Guard to report for duty. It had been expected that only troops from other cities would be called upon to do strike duty here.

A number of silk mills opened at the usual hour this morning, the owners relying upon the promise of the Mayor that troops would be called out to protect their property. Policemen, firemen or deputy sheriffs were on guard at these mills, and every crowd that gathered at any of the plants was dispersed promptly. The orders of the Mayor that no gathering of people be permitted in the streets are being fully carried out. In addition to the silk mills, two dye houses were opened this morning. At these places the bosses went to work, assisted by nonunion dyers' helpers.

In some of the mills that have opened the employes were supplied with arms and ammunition to protect themselves and their property in case of attack.

WILL PUT DOWN ANY ROUGH HOUSE

The Elks' Committee has announced that there will be no masking at the fair tomorrow night.

Every effort will be made to avoid roughness and a large force of police will be on hand.

"Rough house" will be stamped out.

WILL BURN THE LAND.

PREPARING TO CARRY OUT THE ORDERS OF GOVERNOR GAGE.

SACRAMENTO, June 20.—This afternoon J. J. Keegan, secretary of the State Board of Horticultural Commissioners, and W. T. Clarke, and C. W. Woodworth, the entomologists of the State University, are holding a consultation as to the method to be pursued in carrying out the instructions of Governor Gage ordering the pasture lands in this and adjoining counties to be burned to destroy the grasshoppers. Secretary Keegan said he did not know where operations would be commenced but thought the Roseville district in Placer county, would be attended to first. This district is overrun with hoppers and for a week or more the orchardists and vineyardists in that section have been fighting the pests with arsenic and the hopper dozer.

It is not thought likely that any opposition will now be made to the burning of the pasture lands in the vicinity of Roseville, but on the stock ranges of El Dorado county it is possible that resistance will be offered.

HANGED FOR HIS CRIME.

BRANDON (Man), June 20.—Walter Gordon, who was convicted at the spring assizes here of the murder of Charles Daw, a young Englishman, and who also confessed to the murder of Jacob Smith, Daw's hired man, was hanged here today. The prisoner manifested the greatest sangfreid to the end.

GOVERNOR GAGE'S CASE IN COURT.

A. A. Mocre Appears as Prosecutor For Executive—Argument is in Progress.

SAN FRANCISCO, June 20.—Argument on the question of jurisdiction in the libel suit of Governor Gage against J. D. Spreckels and W. S. Leake, was begun this morning before Police Judge Fritz.

Neither plaintiff nor defendants were present.

The Governor was represented by Attorney A. A. Moore of Oakland, and Spreckels and Leake by E. F. Preston of this city.

Mr. Preston argued that under section 826 of the Penal Code, the preliminary examination of the defendants should be held here.

This was disputed by Mr. Moore, who stated that the wording of the warrant was sufficient to show that the examination should take place before Justice Downing of Wilmington Township, Los Angeles county, by whom it had been issued.

Judge Fritz postponed the hearing of further argument until 3 o'clock this afternoon, incidentally remarking that if he should decide that the examination should be held before him, he would also have authority to try the case, under a provision of the charter which makes the police courts concurrent in jurisdiction with the superior courts in certain cases.

TELEPHONE TAX IS TO BE TESTED.

Company Brings an Action in the United States Court.

SAYS THAT THE CHARGE IS UNJUST.

SAN FRANCISCO, June 20.—The Pacific States Telegraph and Telephone Company today brought suit in the United States Circuit Court against Tax Collector E. J. Smith, asking that he be ordered to show cause why the incorporation should be compelled to pay taxes on its property in this city and county, amounting to $56,994, and that he be restrained from selling or instituting suits against the realty owned by the corporation in San Francisco.

The telephone company refuses to pay its taxes on the ground that they are unjust.

A second suit, called the Sunset Telephone and Telegraph Company vs. the City of Eureka, seeks to restrain the collection of a tax imposed by that city.

NEW PLAYERS FOR SACRAMENTO TEAM

SACRAMENTO, June 20.—Mike Fisher, manager of the Sacramento base ball team, arrived home this afternoon from the East, where he went to sign new ball players for his club. Although a telegram from Ogden last evening said he passed through that place with four players no one left the train in his company this afternoon.

When a Bee reporter asked him for the names of the new men, Fisher would only give the name of Stricklett, who he said, would be here next week. He declined to give the names of the other players, saying they had to jump eastern contracts and he would not tell who they were until after they had "jumped."

HOUSE MEMBERS WANT A CONFERENCE

ISTHMIAN CANAL BILL WILL BE HEARD BEFORE THE COMMITTEE.

WASHINGTON, June 20.—(House)—The consideration of the Philippine civil government bill was resumed, and Mr. Jones of Virginia resumed his speech. He argued that, under the provisions of the bill, the friar lands which the Government was to purchase will find their way into the hands of corporations.

He declared that, in his opinion, it would be better for the Filipino people to live under the present hybrid rule than to have imposed upon them the civil government proposed by the pending measure, which would enable that civil government to dispose of all the valuable franchises in the islands, to strip the forests of their timber and to sell the agricultural lands to corporations and syndicates. Mr. Jones devoted considerable time to the discussion of the question of the ability of the Filipino people for self-government.

ONE YEAR FOR ANARCHIST MOST

NEW YORK, June 20.—Johann Most, who was convicted on a charge that he printed an incendiary article in a newspaper conducted by him, was sentenced today to serve one year in the penitentiary. The article was printed at the time President McKinley was shot. The case was carried to the Court of Appeal, which confirmed the judgment of the lower court.

LOS ANGELES SLUGGER BEHIND THE BARS.

HAS A MANIA FOR BEATING INNOCENT WOMEN.

LOS ANGELES, June 20.—John, alias "Bull" White, a notorious crook, was arrested at an early hour this morning on suspicion of being the author of a series of fiendish crimes. Within a few weeks three defenseless women have been brutally assaulted on the streets at night by an unknown prowler. Each victim was unmercifully beaten, but in no case was there any attempt at criminal assault. Robbery was not the motive, for nothing was stolen, and the police have been continually foiled in their hunt for clues. The prisoner has been out of Whittier Reform School less than two years.

Mrs. Kate A. Dripps, a widow, aged 50 years, residing with her son at South avenue 18, is the latest victim of the mysterious slugger of women. Since Wednesday evening she has lain at her home seriously ill from her wounds and the nervous shock. The woman's eyes are swollen completely shut, and her face is a mass of painful bruises.

DECLARES ADMIRALTY IS ROTTEN.

Lord Beresford Oreates a Sensation in the House of Commons.

DOES NOT SPARE THE ENGLISH NAVY.

LONDON, June 20.—During the discussion of the navy estimates in the House of Commons today, Rear Admiral Charles Beresford scathingly criticised the deficiencies of the navy.

He declared that the whole admiralty system was rotten and led to great extravagance and that there was a general want of efficiency in the navy on which depended the existence of the empire.

This was the judgment of all the commissioners of inquiry and had been proven a fact. Every increase in the number of ships and every improvement in them had been the result of outside agitation.

As a result of such agitation, the British Mediterranean fleet is now a fourth stronger than it was a year ago. It was remarkable, Lord Beresford added, that both army and navy officers were compelled to threaten to resign in order to get things righted. Great Britain had only 20,000 naval reserves instead of the requisite 80,000, and the engine room departments were thousands of men short. As to armament, both the United States and France possessed superior guns. Blunders would continue until a separate board was appointed at the admiralty and was made responsible for the efficiency of the fleet. Treasury control was fatal to efficiency. As an instance, the speaker pointed out the case of Sir William Vernon-Harcourt, who, when Chancellor of the Exchequer, put his pen through the ammunition supplies after the guns had been ordered.

WOOD REPLIES TO D. B. HILL.

SAYS THAT THE DEMOCRATIC LEADER DID NOT STATE FACTS.

WASHINGTON, June 20.—General Wood, former military governor of Cuba, today authorized the following statement in regard to the criticism of his administration, made by the Tilden Club re-union last night:

"The statement made by Mr. Hill shows a most profound ignorance of the subject to which he refers, or an absolute disregard for the truth. If he had ascertained the facts and desired to state the truth, he would not have made the statement he is credited with having made."

A COLONIAL CONFERENCE.

LONDON, June 20.—In an interview here today on the subject of the forthcoming Colonial Conference, Edmund Barton, premier of Australia, said he considered that an imperial customs union was not within the bounds of practical politics, though it might be possible many years hence.

EMPEROR TALKS ON RELIGION.

Striking Address is Made at Aix La Chapelle by the Ruler of Germany.

AIX LA CHAPELLE, Prussia, June 20.—A striking speech on religion was delivered by Emperor William at the city hall here yesterday after his arrival from Berlin, accompanied by the Empress and the Crown Prince Frederick Wilhelm. After observing that the city was typical of the German Empire, Charlemagne, on whom Rome conferred the dignity of a Roman Caesar, having fixed the seat of government here, the Emperor said:

"What, however, his powerful personality was able to effect, namely, combining the offices of a Roman emperor with that of a German king, was denied his successors, who striving to hold the world-wide imperium, forgot the cause of Germany, so that little by little the German land and people decayed and the Roman empire of German nationality fell to pieces. Now, however, another empire has come to life and its tasks are different from those of ancient days. Confined in their outward limits to the borders of their country, the Germans have settled down to the work which has fallen upon them. In these days the young empire is strengthening itself and confidence in it is ever increasing. The mighty German army constitutes the support of the peace of Europe, in conformity with the character of their race, the Germans have kept themselves within bounds, far outside the world concerned, in order to be wholly unfettered at home. Our tongue is passing the seas. Every thought of science is first turned to account by us, to be afterward adopted by other nations. This is the world-wide imperium after which Germanic genius strives.

"But it must not be forgotten that the empire was rooted in simplicity and fear of God. I look to all to help me spread religion among the people, in order that the German name may preserve its health and strength. This applies, equally to the two creeds, Catholic and Protestant.

"It is with pride and joy that I am able to tell that the people said to my special ambassador who went to Rome on the occasion of the holy father's jubilee, that he had always kept a high opinion of the piety of the Germans and emperor, and of that of the German administration. The Pope asked my ambassador to tell his sovereign that the country in Europe where control, order and discipline still prevailed with respect for authority and regard for the church, and where the church could live, was the German Empire and for that the Papal See was indebted to the German Emperor.

"This justifies me," continued Emperor William, "in saying that our two great creeds, must, while living side by side, keep in view their one great aim, to uphold and strengthen the fear of God and reverence for religion. Whether we are moderns or whether we labor in this or that field, does not matter at all. He who does not found his life on religion is a lost man. I rejoice that I have placed my whole empire, my people and my army, as well as myself and my house beneath the cross and under the protection of Him who said: 'Heaven and earth shall pass away, but my word shall not pass away.'"

Emperor William concluded with calling for three cheers for Aix La Chapelle.

RACES HELD AT ASCOT TODAY

LONDON, June 20.—The return of the rainy weather today dampened the spirits of the occupants of the country houses at Windsor and around Ascot and the attendance at the races was in no way comparable with that of the earlier days of the metting.

The Ascot High Weight stakes was won by Victor Don, ridden by J. Reiff.

The Duke of Portland's William the Third (Cannon) won the Alexandra plate; Osboch (Maher) was second and Amer Picon (Rigby) third. Six horses started.

The principal race of the day, the Workingham stakes (handicap) for three-year-olds and up, (six furlongs) was won by an outsider, His Lordship. Papdale was second and Pinnar third. Twenty-five horses started.

Leopold D. Rotschild, owner of the favorite, Vatal, subsequently lodged a protest against the event being declared a race.

Arthur James' colt by St. Sarf—Eisledford, on which Maher had the mount, won the Windsor Castle stakes.

A WOMAN FAINTS IN THE JUSTICE COURT

This morning Mrs. John A. Russell fainted in Justice Quinn's court. She worked herself up to the swooning point over the fact that the court would not immediately have George Hodgson ejected from her house.

It appears that the Russell family rented their house, at 651 Sixtieth street, West Berkeley, to the Hodgson family for several months. The Hodgsons failed to pay rent, and when Mr. and Mrs. Russell returned from the coast Russell commenced an action against Hodgson for unlawful detainer. Hodgson, who is too poor to pay the rent and has no place to go, entered a demurrer. The fact of the mans refusing to leave their house so excited Mrs. Russell that she fainted. She thought that Judge Quinn should have the house cleared at once, and because he stated that the law did not justify such summary action, she became hysterical. She remained unconscious nearly an hour.

A DISABLED STEAMER.

LONDON, June 20.—The London agents of the American line have heard nothing of the reports in circulation last night that the steamer Belgenland, of that line, which left Queenstown yesterday for Philadelphia, returned to the former port. Dispatches from Queenstown this morning say the vessels which have arrived there today have not sighted any disabled steamer. The report regarding the Belgenland is now believed unfounded.

LIQUOR MEN MAKE PROTEST

WILL FIGHT TO RETAIN THE BARS ON THE FERRY BOATS.

The bars on the Oakland ferry boats are not to be abolished without a struggle. When President Harriman countermanded the order for their abolition, it was thought the matter was ended, but when the Newark was built over without any place being left for a bar it was at once understood that the bar privileges were to be abolished by the building out process.

But the wholesale liquor and cigar interests have girded up their loins for another fight. They have appealed to Caesar. They place the blame for the Newark "oversight" on Gen. Manager Kruttschnitt, who has all along been opposed to the bars. They have accordingly addressed a communication to President Harriman that is both a protest and an ultimatum.

In case the General Manager's program to build the bars out of the boats is not abandoned, they broadly give Mr. Harriman to understand that the liquor and cigar interests will boycott the Southern Pacific. It is stated that Mr. Harriman has telegraphed out to settle the matter quickly, but gave no directions as to what should be done. It is also said that General Manager Kruttschnitt stands firm in his opposition to the bars. The communication sent to President Harriman by the liquor and cigar men reads as follows:

Mr. E. H. Harriman, President Southern Pacific Company, 120 Broadway, New York City—Sir: The order of your general manager removing all wine privileges from the Oakland ferry, under the pretense that the ferries were for other purposes, is a makeshift thoroughly understood by us, and we wish to record our earnest protest against it.

Our relations with your company have always been, and still are, friendly, but if it be the policy of the company to pursue a course which we regard antagonistic to our business interests, in which light we regard this order, then we have reached the parting of the ways, and the responsibility rests with you, and not with ourselves.

We have sought in every way to avoid this result, both by petition and by personal interviews with the management, but it seems that our efforts have proven abortive, which we very sincerely regret, although powerless to prevent.

We have been patrons of your company in the past to the amount of many millions, and we believe that we deserve better treatment than that indicated by this action of your general manager; and it may be proper to state, also, that no other ferries upon San Francisco bay have considered it necessary to make or enforce a similar order.

When you were in this city recently we would have been glad to have taken up this subject matter with you personally had such an opportunity been afforded us, and believe that before this order is executed we should be accorded that privilege. Very respectfully,

HE PAYS FOR HIS CARELESSNESS.

John Collner has petitioned for the probate of the will of the late John R. Winders, the old time printer, who committed suicide in Chicago on the 9th of this month, who left an estate of personal property, clothing and money in bank, the amount of which, however, is unknown. The whole estate, however, is not supposed to exceed $10,000 in value. The petitioner is named as executor. The deceased left no relatives surviving him. The Union Printers' Mutual Aid Society of San Francisco and Annie Northcutt and the petitioner, both the latter being of San Francisco, are named as legatees.

The will is in pencil in the handwriting of the deceased and bears date of Oakland, May 13, 1902. It provides as follows:

"I give to Annie Northcutt of Oakland one hundred ($100) dollars. I give to the Union Printers' Mutual Aid Society the sum of eight hundred ($800) dollars, being the amount my carelessness caused them to expend.

"All the balance of money, together with all my personal belongings, I give to John Collner of San Francisco, Cal.

"I also appoint John Collner the executor of this will, to serve without bonds.

"JOHN R. WINDERS."

No explanation is given as to what the decedent meant by the phrase in the will regarding the $800, the "amount that my carelessness caused them (the Union Printers' Mutual Aid Society) to expend." It is supposed to refer to the outlay made by the society in providing for the disposition of the remains of the deceased.

LATE NEWS OF INTEREST FROM COLLEGE TOWN.

BERKELEY, June 20.—Last night Miss Grace Evelyn Sully and A. J. Mervy were married at the home of the bride's parents, 2521 Grove street.

Rev. E. B. Payne, formerly pastor of the First Unitarian Church of this city, officiated at the ceremony.

The bride was attended by Miss Pauline Kroll, a bride-elect, whose engagement has just been announced to James O. Selly, brother of the bride. The best man was Dr. Edward Mervy of San Francisco, brother of the groom. The ushers were James and Harry Sully and Herman Hiller.

At the conclusion of the ceremony, the bridal couple and invited guests enjoyed a wedding dinner, which was served in the brilliantly lighted and decorated dining hall.

The bride and groom will go South on a two week's wedding trip, after which they will reside in Berkeley.

LETTER CARRIER CRUSHED BY HEAVY OIL TANK.

BERKELEY, June 20.—L. W. Foss, a letter carrier of this city, was severely injured yesterday afternoon, while attempting to unload an 800 pound oil tank from the rear of a wagon at his residence, 1924 Allston way. The tank obtained such momentum when started down the incline that it knocked Foss down and rolled over him, crushing him badly. While there were no bones broken, it is thought that some internal injury may have been inflicted, which may prove serious.

A physician was called immediately to attend the injured man.

STREET CAR CONDUCTOR IS LOCKED UP AT NOON.

BERKELEY, June 20.—Conductor E. Harlow of the Telegraph avenue line was responsible for a small tie-up of that system yesterday. When he reached the end of his run yesterday at noon he went into the liquor store of George Lowe to wash his hands. The cigar man did not observe him, and as it was Lowe's lunch time, he locked the door, as is his custom for the noonday hour, leaving the hapless conductor imprisoned.

Harlow's motorman made inquiry for the imprisoned conductor and had about come to the conclusion that the missing man had been kidnaped or swallowed up by the earth. In the meantime the conductor kept up a dusty call. When he was eventually discovered he had nearly kicked the door from its hinges. It took about twenty minutes to make up for the lost time.

CANNING SEASON HAS OPENED AT EMERYVILLE.

BERKELEY, June 7.—The canning season at Emeryville has opened in full blast. During the last two weeks 168,000 cans of cherries have been put up. The fruit handled is said to be of a superior quality, coming principally from Alameda county.

The apricot season will not begin until about July 5.

KILLED TWO COYOTES AND RECEIVED THANKS.

BERKELEY, June 20.—While driving to Fernwood yesterday, S. J. Salmon and Dolph Hoessli killed two coyotes. The coyote killed by Hoessli is said to be the largest animal of the kind ever killed in Contra Costa county. The one killed by Salmon was full grown. The two travelers were given a vote of thanks by the farmers of Orinda Valley.

LETTER CARRIERS WILL GIVE BALL TO RAISE FUNDS.

BERKELEY, June 20.—The recently organized University Branch of National Letter Carriers will give a ball on August 15 next, to raise funds for sending delegates to the National Convention.

THE ISTHMIAN CANAL.

There will be general disappointment over the action of the Senate on the Isthmian Canal bill because it will probably entail delay. It is an alternative proposition, and alternative proposition always provoke discussion and procrastination.

As the situation now stands, the House has passed one bill and the Senate another. If the two houses do not agree, the whole business falls to the ground and the work will all have to be done over again. It is to be hoped, however, that the House and Senate will agree on a canal measure before the session ends, for the people are tired of commissions and debates—they want the canal.

The bill passed by the Senate provides for the construction of a canal at either Panama or Nicaragua as the President may decide under the following conditions: The President shall select the Panama route if a clear title can be obtained and all diplomatic difficulties cleared away; otherwise he is to select the Nicaragua route.

Possibly this may be the wisest course after all, though it is significant that the men who have been fighting the canal from cover all along warmly backed the Panama project to the utmost of their ability. It was their only way of defeating the Nicaragua bill.

But the delay can be borne, if further legislation be not necessary to insure the construction of the canal. A canal at either Nicaragua or Panama will satisfy the public, though the former route is more favorable to the interests of this coast, as it is several hundred miles shorter. But selecting the Panama route means that there will be only one canal, which will be under American control. For us one canal is better than two, provided we own and control the one.

ENGLAND'S AMERICAN KING.

While not generally known, it is a fact nevertheless that there is an officer in the United States Army who has a better right to the British throne than Edward VII. Early in the last century James Ord was sent out from England well provided in the matter of guardians and estate. The reason for this was that he was the son of the Prince of Wales, afterward George IV and Mrs. Fitzherbert whom His Royal Highness had secretly married. While the marriage of the Prince and Mrs. Fitzherbert was solemnized, according to legal form and requirements, it was in violation of the Act of Succession, which declares that the sovereign or his heir shall forfeit the throne by marrying a Catholic or a subject. Mrs. Fitzherbert was both a Catholic and a subject. But the greatest lawyers in England have declared the Act of Succession a nullity because it was never passed in accordance with the British Constitution. It was passed by a majority of one in the House of Commons, and never passed the House of Peers at all.

The son of James Ord was General E. O. C. Ord, who distinguished himself during the Civil War, and died not long since after a long career in the army. His son, Major E. O. Ord is the third in succession from George VII, and by right of blood has a superior claim to the throne of England than its present sovereign. The Ord family have carefully preserved the proofs of their legitimacy and descent, not because they ever expect to claim the title of royalty, but for the sake of family pride.

A CALL TO REPENTANCE.

If David B. Hill speaks to the Democracy as the Prophet Isaiah spoke to erring Israel, Grover Cleveland speaks as Jeremiah did of old. Jerusalem must be destroyed. Zion laid a waste; the temple of true Democracy must be pulled down because it has become the abode of strange gods and the shrine of strange rites. Says Mr. Cleveland:

"Let us not forget, however, that it is not in the search of new and gaudy issues, nor the interpretation of strange visions that a strong and healthy Democracy displays its splendid power. Another party may thrive on the ever-shifting treatment of the ever-shifting moods of popular restlessness or by an insincere play upon unreasoning prejudice and selfish anticipation—but the Democratic party never."

The Ex-President may have hopes, but his faith cannot be strong. His mind harks back to the past rather than reaches into the future. His party is searching for "new and gaudy issues," it still sees "strange visions," and turns for inspiration to the Mountains of Moab rather than Moriah. Its policy is shifting, evanescent and contradictory, a cheap medley of opportunist propositions and economic fallacies. It still cheers for Bryan and hears of Samuel J. Tilden with glassy eyes and unkindled remembrance. Apostasy and political degeneracy have hopelessly corrupted the party of Jefferson, Jackson, Tilden and Cleveland, and the older and simply faith has no power to move. It is hopelessly addicted to visions, spasms and the laying on of hands. Mr. Cleveland is like the Apostle Paul preaching to the worshippers of Isis. They hear but do not understand. The Sun of Democracy set with Grover Cleveland.

TALCOTT CLUB AT HAYWARDS

POPULAR SUPERVISOR HAS MANY FRIENDS IN THE COUNTRY TOWN.

HAYWARDS, June 20.—There will be a big gathering of the friends of Supervisor Talcott Saturday night at the Town Hall. The meeting will be held for the purpose of organizing a Talcott Club for Eden Township, which is one of the strongest sections in favor of Mr. Talcott in his district.

Able speakers will be present and the club when organized will include several hundred members, all of whom will work toward re-electing the most popular Supervisor this district has ever known. It is not known whether or not Mr. Talcott will be able to be present at the meeting, owing to his recent illness.

HAYWARDS A RESORT.

Haywards is rapidly acquiring the reputation of being a summer resort. Every year the number of summer visitors increase and the houses to rent are hard to find at this time of year. During the next two weeks there will be a great many arrivals as the schools of San Francisco have closed and many people of that city will spend their vacation here, in preference to going to the coast cities. Then, too, the demand for help in the cannery and orchards is quite an inducement to those who have children who work during the vacation.

BUTTERMILK CLUB.

A unique organization has recently been formed in this place, known as the Buttermilk Club. The club's headquarters is at Brunner's store, where the members have a large tank filled with buttermilk, which is supplied by the Haywards Creamery. Among the charter memers of the club are H. E. Brunner, Elmer and Ede Patterson, Dr. G. E. Alexander, T. Gallagher, A. Harrington, Judge Prowse and O. R. Morgan. The membership is steadily increasing and President Brunner has already ordered another tank of nearly twice the proportions of the one in use.

MAY PLAY SUNDAY.

Members of the Haywards Tennis Club will meet on their court Sunday and a number of exciting contests will no doubt result. They are busily training for this year's big event, which will take place after the Chabot Club of San Leandro opens negotiations for a tournament.

ATTENDED PICNIC.

A number of members of Fraternal Brotherhood lodges of this district attended the picnic at Sunset Park on Wednesday. The picnic train stopped at Mt. Eden, where the local lodge men were congregated.

THE CURRENT SEASON.

The current season is now well under way and hundreds of cases are being shipped every week from this district. The currents are especially successful about San Lorenzo, where a great many are grown.

ANGUS TO RESIDE HERE.

William Angus, president of the Suburban Electric Light Company will shortly become a resident of Haywards. He will occupy the Sutton place during the summer and later expects to build.

A NEW MEMBER.

Dr. C. Corwin was elected to membership in the Young Men's Social Club at the last meeting of the directors. The club is rapidly increasing in membership and popularity and is undoubtedly the most popular organization of young men in Haywards.

ON SUMMER VACATION.

Owing to the fact that nearly all the members are away for the summer, the King's Daughters' Society of San Lorenzo has taken a vacation for several months.

HUNTING ATTRACTIONS FOR CENTRAL PARK

J. H. Mackinnon was out at the Chutes in San Francisco yesterday critically examining the various attractions and recreations which constitute the leading features of that place of amusement. It is understood that he was making his examination in the interest of the Realty Syndicate, which is soon to open the old Ayala Park pleasure ground on Telegraph avenue, under the name of Central Park. The handsome new club house is nearly completed and the grounds are being placed in a suitable condition to entertain the public. The Syndicate proposes to put in a number of special attractions similar to those which make the Chutes so popular, and it is believed that it was Mr. Mackinnon's mission to select such as would be suitable for Oakland. Mr. Mackinnon admitted that he had made a special examination of the amusements at the Chutes, but declined to state his purpose in doing so.

STILL AFTER HAYWARDS BOYS

WANT TO ARREST THOSE WHO PITTED BULL DOG AGAINST WILD CAT.

The Board of Directors of the Oakland Society for the Prevention of Cruelty to Animals held a special meeting last evening to consider the animal fights which have recently taken place near Haywards in which a bull-dog was pitted against a coyote and a wild-cat.

Considerable discussion was had to the best means to prevent a re-occurrence of that outrage. The Directors were considerably alarmed to think that such a contest could take place in Alameda county, as they thought they had settled that question years ago at the time of the arrest and conviction of Ike Bottomley. On that occasion, the Society succeeded in gathering in not only the principals, but the spectators who were present to witness a fight between bull-terriers at Bottomley's resort in North Oakland.

A resolution was passed authorizing the payment of $20 for any person who will give information to the secretary of the Society which would lead to the arrest and conviction of any person violating Section 8 of an Act, entitled "An act for the More Effectual Prevention of Cruelty to Animals," which makes it a misdemeanor for any person to cause any animal to fight, or injure, or worry another for his gain or amusement, and any person who attends such fight as spectator or who permits such fight to take place on his premises, or aids or abets it; and the officers of the Society were instructed not to divulge the name or identity of any such informant to anybody.

The Board unanimously approved the expenditures of the Secretary in securing the information about the fights of the so-called Rockwood Club. Individually the Directors expressed themselves very strongly in their determination to see that no such contests took place again and to punish all offenders. The secretary was instructed to spare no pains or money in preventing such occurrences.

WOODMEN OF WORLD MAKE FINE SHOWING.

Splendid Parade on Broadway—Fair Will Close Tomorrow Night—Carnival Notes.

PAID ADMISSIONS:

Saturday - -	15,541
Monday - -	22,000
Tuesday - -	13,553
Wednesday - -	15,211
Thursday - -	22,936

Last night was Woodmen's night at the Elks' Fair, and they did themselves full justice. Their parade was especially noteworthy, both on account of its attractiveness, and on account of the unusually large number of members, who turned out. The line of march was from Twelfth and Clay streets, to Eighth to Washington, to Fourteenth to Broadway to Seventh, thence countermarching to Eleventh street, and thence to the Carnival grounds.

At the head of the procession, appeared Captain of Police Wilson, accompanied by two mounted policemen. Captain of Police Peterson with a platoon of policemen on foot followed him. Following the police came the Grand Marshal, J. F. Kick and his chief aide, Thomas M. Robinson.

The first division was in charge of Aide A. G. Saunders.

In it marched the Enisvale Circle, Women of Woodcraft, of San Jose, undoubtedly the most attractive feature of the parade. The women were costumed in red. They were commanded by a former Oakland girl, Birdie Simmons Ayres, the daughter of Professor Simmons, an old Oakland dancing master. The members of the company were: Mrs. Emergine Maxion, Mrs. Cora McCombs, Mrs. V. Furthing, Mrs. Hattie Briggs, Mrs. Etta Pouline, Mrs. Lizzie Keaton, Mrs. Anna Smith, Miss Mabel Cooper, Mrs. Lizzie Bidovitch, Mrs. Amelia Theman, Mrs. Jessie Dose, Miss Grace Pauline, Miss Kate Robertson, Mrs. Estelle Hafner, and Mrs. Mary Cooper.

The first division also included the guests of the evening, Mayor Barstow, and State Organizer W. L. Temples. Mayor Schmitz had been invited, but was unable to accept.

The different camps marching in this division were: The "Baby Camp" Cerrito No. 742 of West Berkeley, under command of Charles Henry, Oakland Camp No. 94, under the command of E. Trower; and Spruce Camp, No. 134 of Alameda.

Oakland Camp had the biggest turnout of the parade, 500 men being in line. Their float representing a woodmen's camp was very picturesque.

The second division was in charge of Aide L. J. Romers and comprised the following camps: Tamalpais Camp No. 427, with band, under command of Joseph McElroy; Forest Camp No. 102 of West Oakland, under command of Robert Lewis; Athens Camp, No. 457, under command of C. F. Farnsworth; and Alpha Camp No. 101.

Aide S. T. Dodson commanded the Third Division. It was headed by "That Little German Band" of Bay Tree Camp, No. 640. This camp was followed by Wedgewood Camp No. 604 of Berkeley, the last camp in the parade.

The floats of many of the camps were exceptionally good. Forest Camp No. 102, had a large float upon which a tent had been erected in the midst of a minature forest.

Bay Tree Camp No. 640 had a grotesque float in the shape of a prairie schooner, belabeled with legends such as "2 Big Initiashun or Bust," and "Carry Nation Inside."

AT THE FAIR.

Mayor Barstow extended his greetings to the Woodmen in a clever speech.

State Organizer W. L. Temple then made a splendid address in which he told all about the order.

Exhibition drills by Forest Camp No. 94 and Alpha Camp No. 101 were the next on the program. After the drills a monologue was rendered by G. B. Calvert and the male quartet from Alamo Camp of San Jose sang.

The degree team of Spruce Camp No. 132 of Alameda then concluded the program with a exhibition drill.

After the program at the Fair all the Woodmen in grounds who cared to go and 500 candidates marched to the Macdonough Theater where the new members were initiated.

FAIR WILL CLOSE.

The Elks' Ways and Means Committee held a meeting last night and positively decided to close the Fair tomorrow night.

BAND AT THE FAIR.

Joseph Callaghan has composed the "Elks' Carnival March" in honor of the Fair and Carnival now in progress. Mr. Callaghan is the leader of the band that has been furnishing such excellent music for the fair, and is an enthusiastic Elk. The march composed by him has proved very popular and has caught the public fancy.

PARADE TONIGHT.

All the freaks on the Midway will parade this evening.

IRISH NIGHT.

This is Irish night at the Fair. An excellent program will be carried out.

WILL BE AT FABIOLA.

The Fabiola Booth at the Fair tomorrow evening will be presided over by the Misses Estelle M. Kleeman, Mabel Kergan, Nellie Demsey, and Mrs. William Kleeman, Mrs. Dr. Chamberlain and Mrs. Ralston. The latter having charge of the booth. This booth is one of the features of the Fair.

HANSEN & KAHLER.

There are many unique and prettily fitted-up booths at the Fair grounds, but none is more neatly and artistically arranged than Hansen & Kahler's handsome structure, which attracts much attention and admiration. With the usual enterprise of this well-known and popular firm, it is nothing out of the routine to see them at the head of all matters pertaining to the advancement of the community in which they do business. Hansen & Kahler are among the leading business institutions of Oakland, whose trade also extends throughout Alameda and adjacent counties. The patronage bestowed upon them is large and the beer and mineral water they handle all have the highest reputation for merit. They are sole agents for the Bohemian Lager Beer, manufactured by the Buffalo Brewing Company of Sacramento. Here is a beverage that stands par excellence in its line and the consumption in this vicinity, as elsewhere, is enormous and steadily on the increase. They are also agents for the Pabst Lager Beer and Malt, and the celebrated Bartlett Springs mineral water, which enjoys such a high reputation for its medicinal properties. This firm is to be congratulated for the elegant showing they have made, which is a credit to themselves and the Elks' Fair as well.

"JUNO."

Who is "Juno"? Well she is the handsomest woman in the world. Her figure is about as perfect as Nature can make it. She has been the model for famous sculptors of Europe and her name has preceded her to all portions of the civilized earth. At the Paris, and Buffalo expositions she was seen by millions of people and they eagerly paid five times the amount now charged to see her. No wonder the tent is crowded day and evening by an anxious crowd to look upon a living Venus. In addition to "Juno," there are other attractions, making it the best by long odds of any given at the Fair. 10 cents is the nominal price of admission.

SCHOOL BOARD HOLDS MEETING

NEWS NOTES GATHERED IN THE THRIVING CITY ACROSS THE HARBOR.

ALAMEDA, June 20.—The Board of Education met last night and classified the teachers of the various schools. A few changes were made, most of which were at the request of the teachers, some of whom wished to change places and their requests were granted.

The resignation of A. Misson, gardener at the Longfellow School, was received and accepted.

President Otis of the Board was granted a month's leave of absence, and Dr. Keys was elected President pro tem.

The Board also recommended that the architects who drew the plans for the additions to the Mastick and Wilson schools and the new High School be paid, provided their bonds and all details be satisfactory to the City Trustees.

Meets With an Accident.

ALAMEDA, June 20.—Bruce Hill, the son of Mr. and Mrs. George Hill of Alameda avenue, met with an accident recently, which may cause him the loss of his right hand. The boy was playing in the yard when he stumbled and fell, striking his right hend on the upturned prongs of a rake. For awhile it was not thought that the accident would result dangerously. Wednesday morning the boy's hand began to swell and when a physician was summoned be pronounced the case to be one of severe blood poisoning, and for awhile it was feared that the hand would have to be amputated. The boy is gradually improving and the doctors express hope of saving his hand.

Gave a Social.

ALAMEDA, June 20.—A social was given yesterday afternoon by Miss Edna Fowler to the pupils of her elocution class. The affair took place on the Thompson grounds on High street. An enjoyable afternoon was spent by the young people. A program of musical and literary numbers was rendered at the Fowler residence, 1257 High street. Refreshments were served.

Chased the Chinese.

ALAMEDA, June 20.—William Hall of San Francisco was arrested last night by Detective Brown while attempting to break up the laundry establishment of Sing Lee on Oak street. Hall, accompanied by a friend, both of whom were intoxicated, visited Sing Lee's place of business and announced his intention of cleaning out the place. He followed his threat by seizing a large flat iron with which he proceeded to chase the Chinese workmen into the street. Seeing Officer Brown, the Chinese cried for help. When Brown reached the laundry, Hall had Sing Lee in a corner brandishing over his head the big flat iron, while the Chinese was begging for his life. Hall was arrested and charged with disturbing the peace.

Trustees Can Ride.

ALAMEDA, June 20.—A communication was received by the City Clerk this morning from the Oakland Fourth of July Committee stating that carriages would be at the disposal of the City Trustees on the day of the big Fourth of July parade, and requested that the Board attend the affair.

Accused of Vagrancy.

ALAMEDA, June 20.—Officer Gray arrested James Gwin, a colored man, last night, whom he charged with vagrancy. The negro had no visible means of support.

UP IN MINNESOTA.
The Women Know How.

Food, and good food, is the right kind of foundation to build good health on. A Minnesota woman writes, "I thought I would like to tell you of the good Grape-Nuts has done for me.

"Last winter I got sick and kept getting weaker and weaker. I could not eat anything but some crackers and a little cup of beef tea for every meal, then I was put on Grape-Nuts and used it with some cream for breakfast. My stomach got strong gradually and before I had used three packages my digestion was so good that I could eat any kind of food, even cabbage, pastry, etc., and I notice that my memory is very much better than it used to be.

"On the 5th day of July I weighed 102 pounds and two months later, after using Grape-Nuts, I weighed 122 pounds and was able to do my housework.

"This is a good honest statement of facts about Grape-Nuts and you can publish my name if you like." Mrs. E. Frederickson, Center City, Minn.

COURT REOPENS PECULIAR CASE

JUDGE GREENE GRANTS NEW TRIAL IN SUIT OF SCHUBERT.

Superior Judge Greene yesterday granted a new trial in the case of Mrs. K. Schubert against the Bankers' Life Association, and Margaretha Weinert to recover $2000 alleged to be due on an insurance policy.

The case has attracted considerable attention in that it involves unusual points of law. Mrs. Schubert is the widow of the late Louis Schubert, an East Oakland blacksmith. Schubert, a few years ago purchased a house and lot in East Oakland and later deeded the property to his wife on the condition that she should pay the interest on a mortgage on the property as he had become incapacitated for work and she was earning a small income as a dress-maker. Later he insured his life in the Bankers' Life Association she being made the beneficiary with the understanding that they were to divide the payment of the dues. Then Schubert went back to St. Louis, saying that life with his wife was unbearable, and she promptly sued him for divorce on the ground of desertion. Schubert answered the suit alleging cruelty and in a cross-complaint he asked that she be compelled to reconvey to him the East Oakland property on the ground that she had forced him to make the deed.

While this litigation was pending the wife sent him the insurance policy, he refunded the dues she had paid on it and he dropped the suit for the property mentioned. Schubert then made his sister, Mrs. Weinert the beneficiary and shortly afterward died.

The widow sued the Association and Mrs. Weinert for the $2000 insurance, alleging that the policy had been procured by fraud, but Judge Greene ruled against her. While he and Attorneys Rode and Bergen were settling the bill of exceptions today, however, Judge Greene decided that an error might have been made in not sustaining Rode's objection to the policy being introduced in evidence, since it had not been actually proved that the Association had consented to the change of beneficiaries, as required by law. The new trial was then granted by consent.

Save a Woman's Life.

To have given up would have meant death for Mrs. Lois Cragg of Dorchester, Mass. For years she had endured untold misery from a severe lung trouble and obstinate cough. "Often," she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr. King's New Discovery for Consumption and was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by Osgood Bros., druggists, Seventh and Broadway. Price 50c and $1.00. Trial bottles free.

Y. M. I. PICNIC WAS A SUCCESS

MANY PEOPLE ENJOY AN OUTING IN THE NILES CANYON.

The joint picnic of the Young Men's Institute at Niles yesterday was a large success. A special train of fifteen cars had been chartered by the various Councils—Washington Council No. 4, of San Francisco; Oakland Council No. 6, and American Council No. 8, of Oakland; California Council No. 24, of Alameda, and Alameda Council No. 47, of Livermore.

The Oakland and Alameda picnickers boarded the train at First and Broadway at 10:30. The weather was exceptionally pleasant permitting those who did not desire to indulge in dancing at the pavilion to enjoy a quiet tete-a-tete reclining under the shade of the tall and numerous trees with which the canyon abounds. A brass band of twelve pieces produced such music as made it impossible for even inexperienced dancers to control their feet any length of time during the afternoon.

The games, winners and prizes were: Men's race—First prize, box of cigars, donated by James M. Curtin, San Francisco; second prize, bath tickets, by Antone Jelset, San Francisco. Harry Foley won first prize and George Scanlan won second prize.

Boys' race (over 14)—First prize, one hat, value $2.50, by M. J. Keller Co., Oakland; second prize, $1 cash, by Louis Buck, San Francisco. J. O'Connell won first prize and C. R. Mulgren won second prize.

Three-legged race—First prize, order for shirt, by J. T. Moran, Oakland, and second prize one half-dozen socks by Greenebaum, Weil & Michaels, San Francisco. John Glese and Pat Gillin won first prizes, C. C. Mulgren and Frank Doherty won second prizes.

Girls' race—Gertie O'Brien won first prize and Ursula Scholten won second prize.

At the conclusion of the races about sixty of the gate prizes were awarded. At 6:20 p. m. the special pulled out of the canyon carrying a happy and enthusiastic lot of picnickers.

The following committees had the joint outing in charge:

Committee of Arrangements—M. A. McInnis, chairman, Oakland Council No. 6; D. J. Hennessey, vice-chairman, Washington Council No. 4; T. C. Coughlin, secretary, California Council No. 24; J. J. 2. Said street railroad shall be operated by electricity or such other improved mode of operation as may be authorized by law, except steam locomotives;
3. The tracks, side tracks and switches shall not be more than five feet wide within the rails and must have a space between them sufficient to allow the cars to pass each other freely, and when permanently laid shall be as nearly as possible in the middle of said public highway or in such a position upon said public highway as the said Board of Supervisors may direct; and the portion or portions of said public highway to be occupied by said tracks, side tracks and switches shall not exceed two (2) rods in width at any point of the aforesaid route. No stations shall be constructed within the lines of said public highway without the approval and consent of said Board of Supervisors;
4. Single fares on said street railroad shall be as now provided by law;
5. The grantee or grantees of said franchise, their successors or assigns, must plank, pave or macadamize, or otherwise improve, with the same kind of material with which the portions of the public highways adjacent are improved, the entire length of the said public highway used by said track or tracks between the rails and for two feet on each side thereof, and also between the tracks where there is more than one track, and keep the same constantly in repair, flush with said public highway and with good crossings, and said grantee or grantees, on the directions of said Board of Supervisors, after five (5) days' notice to repair or improve the entire length of said public highway used by said railroad, or any portion thereof, as above provided, shall forfeit to the said County of Alameda ten (10) dollars per day for each and every day that they, or their successors or assigns, shall neglect to comply with the aforesaid condition;
6. Work to construct said railroad must be commenced within four (4) months from the date of the approval of the ordinance granting said franchise, and the same must be completed within one (1) year thereafter over the entire route, unless the uncompleted portion thereof be abandoned with the consent and approval of said Board of Supervisors;
And said grantee or grantees, their successors or assigns, shall, within sixty (60) days from the approval of such ordinance, file with the Clerk of said Board of Supervisors a bond, with two or more sufficient sureties, in the penal sum of One Thousand (1,000) dollars, to be approved by the Chairman of said Board of Supervisors, conditioned for the faithful performance of all the requirements and conditions of said ordinance;
And the said grantee or grantees, their successors or assigns shall pay all the costs and expenses of the publication of said ordinance;
7. Said grantee or grantees, their successors or assigns, shall lay the tracks for said railroad over said route under the direction of said Board of Supervisors and the County Surveyor of said County of Alameda, and no change of any public highway over which said railroad is to run shall be made in any way except by and with the consent and approval of said Board of Supervisors;
8. In case said railroad shall use electricity as a motive power, the poles and wires used shall be of the most approved pattern for electrical railways and of wood or iron; and all wires used in connection with the exercise of said franchise, except underground wires, shall be of sufficient height and elevation above the ground so as to avoid obstruction to the ordinary use of said public highway;
9. Cars must be operated over said street railroad in each direction at least three (3) times daily; and
10. All mail carriers in the employ of the United States Government, at all times while engaged in the actual discharge of duty, shall be permitted and allowed to ride on the cars of said street railroad without paying any sum of money whatever for fare or otherwise.

NOTICE IS HEREBY given that in accordance with the provisions of Chapter 53 Statutes of 1899, all voters of Alameda County must apply for re-registration in order to be able to vote at the General Election in November, as every name on Great Register was cancelled January 1st, 1902.

Owing to the fact that there is no provision of law providing assistance for the Clerk to register voters, IT IS IMPORTANT THAT VOTERS SHOULD APPLY FOR REGISTRATION AT ONCE IN ORDER TO EXPEDITE THE WORK.

Such re-registration began on the 1st day of January, and will be in progress at all times until forty days preceding the next election in November.

In order to facilitate the work of re-registration, attention is called to the provisions of Section 1097, which reads as follows:

1. Upon the production and filing of a certified copy of the judgment of the Superior Court directing such entry to be made.

2. If a naturalized citizen, upon the production of his certificate of naturalization, which certificate must be issued ninety days prior to the succeeding election, or upon his affidavit that it is lost or out of his possession, which affidavit must state the place of his naturalization, the time and place of his naturalization, together with his affidavit that he has resided in the United States for five years, and in this State for one year next preceding the time of application, and that he would be an elector of the county at the next succeeding election; provided, however, if such naturalized citizen shall have been previously registered as a qualified elector in any of the counties, or cities and counties of this State, his name must not be entered by the Clerk, unless he produces a certificate of such registration, issued by the party authorized by law to issue such certificate, which certificate shall be prima facie evidence of his naturalization.

3. If born in a foreign country, upon his affidavit that he became a citizen of the United States by virtue of the naturalization of his father while he was residing in the United States, and under the age of twenty-one years, and that he is or would be an elector of the county at the next ensuing election.

4. In other cases, upon the affidavit of the party that he is or will be an elector of the county at the next succeeding election.

Further notice is hereby given that Affidavits of Registration must be sworn to before the County Clerk or his deputies, and that they can not, owing to the provisions of the new Registration Law, be sworn to before any other officer.

The office of the County Clerk will be, until further notice, open for registration from Nine A. M. until Five P. M. each day.

READY FOR THE FIGHT AT THE ACME CLUB.

Oakland Loses to Senators at Sacramento—Sporting Notes.

The Acme Athletic Club will give its regular monthly exhibition at Exposition Hall this evening. The program arranged by Manager Lavigne is an excellent one and no doubt will prove a big drawing card.

The main event will be the contest between Mike Donovan and Tim Murphy. Both men are in excellent condition and a splendid fight is promised. There will be some clever preliminary contests:

MIKE DONOVAN WHO WILL MEET TIM MURPHY AT THE ACME CLUB TONIGHT.

OAKLAND BEATEN BY THE SENATORS

TUBE WADDELL JUMPS LOS ANGELES AND GOES TO PHILADELPHIA.

The Senators buckled on their batting armor in the game with the Lohmanites at the Capital City yesterday and surprised even themselves by their phenomenal work with the bat. Hodson, who did the twirling for Lohman's team, was hit for twenty-one safeties that netted sixteen tallies in the nine innings, while the eleven hits for which young Mr. Cotter was found only sent seven midgets across the rubber.

The Lohmanites started out like derby winners, garnering five counts in the first two innings. But the heat was somewhat fierce and they were not acclimated sufficiently to keep up the killing pace. Hits were scattered all along the line, but there was nothing doing in the tally line for Oakland until the ninth, when they annexed two more.

The Senators did not get fairly warmed up to their work until the sixth. In that inning there was a batting streak, and the choice collecting of singles and doubles that went singing in every corner of the garden was good for eight counts in the lawmakers' column. Four more were annexed in the seventh, two in the eighth, and with the pair recorded in the early part of the game the total was boosted to sixteen. The score was Sacramento, 16; Oakland, 7.

Another ten-inning matinee made glad the hearts of fans who witnessed the game between the Ponies and the Angles at Recreation Park yesterday. Mr. Kane and the mighty Reuben Waddell were the contending slab artists, and although Rube in addition to fanning ten of the hard hitting Shetlands lined out a home run swat, over the center field fence his teammates could do no better than boost the total score to three, while the band that works under the direction of Uncle Hank Harris did a four-rubber-act.

Yesterday afternoon was Waddell's farewell appearance in a Los Angeles uniform, but even Manager Morley was not advised that Reuben contemplated the grasshopper game. The big twirler did not put anybody wise to his plans. He worked his luggage out of the hotel with the assistance of a small boy and boarded the evening Santa Fe overland with a through ticket to Philadelphia in his side pocket. He has signed to finish the season with Conny Macks' American League aggregation and his going will materially weaken the Angel band.

UNION BANK WAS NOT SWINDLED.

Contrary to published reports the Union National Bank at this city has not been swindled by J. B. Black alias John D. Stone, who is now being held in San Francisco on suspicion of being a noted forger.

When Black first appeared in Oakland he deposited $500 in gold in the Union National Bank, and a short time after he deposited a draft for $1000 on the Indianapolis National Bank, explaining that he was soon to open dental parlors here.

In a few days, Black drew out $600. In the meantime the bank officials here wired to Indianapolis to see if the draft had been honored and last night received a reply that it had but not to allow Black to withdraw anymore until the arrival of a letter of explanation.

So far the local bank is $900 the best of Black but several other banks throughout the State have not fared so well.

D. 1902, unlawfully, maliciously, wilfully, inexcusably, heinously, shamefully and outrageously, allow five days to pass and go before showing up at the Elks' Fair at Oakland; that immediately upon his arrival he said the tall man was not very high; that he also said that one leg had been sawed off of the three-legged cow and that he was caught peeping under the tent of the Reliance Circus. All of which is and was and always will be then and there and elsewhere contrary to the form, force and effect of the laws of the B. P. O. W. C. Harding, a mining man from Tonopah, Nev., was relieved of a thick roll of greenbacks, containing $910, in a roll of greenbacks, containing $910, in Kent's saloon about 10 o'clock last night.

Harding came here supplied with $1,000 with which to enjoy the Elks' Fair. In company with his brother-in-law, he made the rounds on the Midway and managed to spend $90. Feeling in need of refreshments that are not sold on the fair grounds, he entered a saloon on Twelfth street between Washington and Broadway.

While in the saloon he displayed the greenbacks to the crowd and then asked everybody to have a drink. After he had spent his small change, he felt for the $910, but somebody had picked his pocket.

The robbery was reported to Detective Kyte and, learning that the story was true, he arrested a man to whom Harding directed suspicion, but he proved an alibi and was allowed to go.

Detective Kyte has two men under watch, but in the meantime Harding has nothing with which to enjoy the fair.

LINDBLOM DIVORCE CASE IN COURT

The divorce case of Mary Lindblom vs. Eric Lindblom, the Nome millionaire, was to have come up this morning on a motion for alimony.

The only attorney in the case who appeared was George W. Reed. After the case had been called Judge Ogden, who was on the bench, said that he had had a talk with Attorneys A. A. Moore and Mr. Metson, and he had told them that, owing to the fact that he had to officiate in several other courts, he would not be able to hear the Lindblom case until Thursday next. The attorneys in question, he said, had stated that they would notify the other counsel in the case.

Attorney Reed said that he had not been so notified, but he was willing to agree to the continuance. The case accordingly went over.

Later Attorney Moore sent word through Attorney Phil M. Walsh that he would like to be present in court this afternoon at 2 o'clock, in the case.

Judge Ogden then reopened the matter until 2 o'clock this afternoon, when the case will be set for hearing.

The First Experience

Of maternity is often followed by a quick convalescence which gives no hint of loss of strength as the result of the trying ordeal. Youth with its undrained vitality makes for the young mothers' health and happiness. But later maternal experiences bring a different result. The care of a family, multiplied household duties, and very often the weakness caused by womanly disease, tend to prolong the suffering of maternity and to make convalescence a slow and weary process.

Dr. Pierce's Favorite Prescription prepares the wife for maternity. It promotes the appetite, cures nervousness and sleeplessness, and gives a consciousness of buoyant health. It gives great muscular strength and elasticity and makes the baby's advent practically painless. It is unexcelled as a strength-giving tonic for mothers during the period of convalescence.

"During my two years of married life I have not had good health," writes Mrs. Daisy Studdard, of 608 South Esplanade Ave., Leavenworth, Kans. "I was all run-down, and my husband got me to write to Dr. Pierce and explain my case to him and see if he could do me any good. So I wrote, and, thank the Lord, I got an early reply telling me what the trouble was. I commenced taking Dr. Pierce's Favorite Prescription, also the 'Pleasant Pellets,' and now can say that I feel like a new woman, and can say also that we have a big baby four months old. When the baby came it was just wonderful how I got along, and now I do all my work and do not feel tired out like I used to. I have taken eight bottles of the 'Favorite Prescription.' It makes one feel well and strong."

Weak and sick women are invited to consult Dr. Pierce by letter, *free*. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.
